

Environmental Policy Statement: V2/2018

G & S Waste Management Ltd is committed to protecting our environment and recourses in all areas we manage and conduct our business.

All employees hold responsibility to implement this policy when carrying out any works instructed by G & S Waste.

G & S Waste Comply with all environmental laws and regulations, methods and procedures in relation to all environmental and enforcement activities.

This will include all considerations in the companies planning and operational decisions.

We have regular update and discussion meeting to communicate with all staff ensuring each member of G & S Waste understand their individual responsibility to help aid our objective to protect our environment. Training and understanding discussions are regular and frequent to ensure staff promote G & S Waste in the correct way.

G & S Waste are committed to conservation of resources, responsible environmental management, prevention of pollution and compliance with legislation and other requirements.

Below is the management system to establish best communication and understanding for all environmental objectives.

- Minimise waste in our operations of collecting, sorting and processing, by targeting the source: reuse / recycle
- Provide our employees with the appropriate training and resources to fulfil our environmental objectives and obligations.
- Communicate our policies to not just our staff, but vendors and suppliers in order to enhance awareness of commitments and responsible environmental management.
- Develop and implement a continuous environmental improvement plan that is reviewed quarterly.
- Preferentially select suppliers, and service providers that will integrate with G & S Waste's objectives to minimise waste and emissions.

This Director is responsible for the health and safety in the company. The day to day planning inspections and follow up is delegated throughout the managers.

This Policy will be regularly reviewed and monitored making sure our aims are achieved. If necessary then revised if a change of legislation affects our policy.
